

Goodwood Event Casual Staffing Opportunities

2022

Why work at the Goodwood events?

- Earn money while having fun!
- Experience the events from the inside, and gain a unique insight into what goes on behind-the-scenes.
- Help to deliver the excellent customer service that Goodwood is renowned for.
- Access to internationally renowned Motorsport events.
- Explore the action our events have to offer in your free time over the events.
- The work is flexible and seasonal, so can be fitted around other commitments, making it ideal for students, retirees or those with families.
- An opportunity to meet new people – the events are very social!

What does it involve?

- You will be paid on an hourly basis at the event casual rate, which from April 2022 is £10.29 per hour (including holiday pay) for those under 23. Those aged over 23 will be paid £10.65 per hour (including holiday pay).
- You will be offered shifts that vary in length, from 4 hours at some horseracing events, up to 13 hours at our motorsport events. Due to the length of some of the shifts, you do need to be 18 or over, and having your own reliable transport is essential.
- Casual staffing opportunities are available at the Festival of Speed presented by Mastercard (23-26 June), Qatar Goodwood Festival (26-30 July) and the Goodwood Revival (16-18 September).
